GP Steensel

Vers: 12-12-2024

Van Kriekenbeeckhof 19
5524BM Steensel
Telefoon: 0497-517209

Availability

Monday to Friday 8h00 u – 17h00:
0497-517209 for emergencies press
1

After 17h00, nights and weekends
Emergency GP's office: 040-
2660505

The practice is closed on Wednesday
afternoon. Urgent cases after 13h00
can be observed by the GP's of
"Huisartspraktijk Riethoven". Tele-
phone number: 040- 2041620

Out-of-practice hours/ Huisartsenpost SHOKO

For all your emergency questions
outside of office hours you can call
the emergency number of the
"Huisartsenpost Veldhoven": 040-
2660505.

The local GP's are organised into the
"Stichting Huisartsen Organisatie
Kempen en Omstreken" (SHOKO) .
For all your medical problems that
can't wait until the next working day
you can call the emergency number.
This includes for instance injuries,
sporting injuries and severe and life
threatening situations. The assistant
on the phone will ask what the situ-
ation is to determine the urgency
and take further appropriate ac-
tions; this will be either an advice,
an appointment at the huisartsen-
post or a house call.

In life threatening situations the
General practitioner will consult the
ambulance.

The huisartsenpost is located at the
following address:

Maxima medisch centrum Veldho-
ven: De run 4600 5504DB Veldho-
ven

Website: www.shoko.nl

Consultation of the general practitioners

T. Van der Horst: Monday, Wednesday
morning and Thursday.

M. Widdershoven: Tuesday and Friday.

A. Geudens: Tuesday and Friday.

Practise nurses

M. van Hout-van Wijk
She holds consultations under the re-
sponsibility of the general practitioner
for specific conditions such as chronic
pulmonary diseases, diabetes, preven-
tion of cardiovascular diseases, guid-
ance on stopping with smoking, and
care for the elderly. She also has con-
sultations in Knegsel every week on
tuesday morning.

E. van Heumen
She holds consultations for patients
with mental health disorders on Mon-
day.

B. van de Vrande
She holds consultations for patients
with mental health disorders on
Wednesday.

Health care assistant

Anouk Croonen and Sanne van Ooster-
hout assist you on the phone to book
an appointment or answer a question.
They organize consultations and home
visits. They also perform independent
tasks such as blood pressure check's,
urinalysis, dressing of wounds and
cervical smears.

They have regular consultation hours
on Monday afternoon and Thursday
morning.

MGN

We provide an online service called
"MijnGezondheid.net". With this website
you can make online appointments with
your GP, repeat prescriptions and ask
for an e-consultation. For more infor-
mation visit www.mijngezondheid.net.

Once you started using the website you
can also download an app for your cell
phone called "MedGemak" through your
app-store.

Repeat prescription

You can request repeat prescriptions by
telephone through the prescription line
on telephone number 0497-517209,
option 2,

or online through MGN 24 hours a day.

Pharmacist

You are free to choose your own phar-
macy. We work closely with the "Benu
pharmacist" in Eersel and "Pharmacist
De Locht" in Veldhoven.

Drawing blood

For blood test's you can visit the follow-
ing locations after having made an ap-
pointment:

Steensel:
Gemeenschapshuis De Höllekes, Korte
Kerkstraat 7

Knegsel:
MFA De Leenhoef, Steenselseweg 8a

Duizel:
Gemeenschapshuis D'n Inloop,
Smitseind 33a

Eersel:
Dolium, Gebint 1D

Examinations such as lung function
measurements and ECGs are also
carried out by appointment in Eersel.
